

**AGENDA ITEM**

A-2. Authorization of Tuition for 2021-22 ..... Jennifer Haygood

**Situation:** Tuition rates for undergraduate and graduate students, including professional schools, are recommended for approval.

**Background:** G.S. 116-143 requires that the Board of Governors of the University of North Carolina System fix the tuition and fees, not inconsistent with the actions of the General Assembly, at the constituent institutions of the UNC System. The 2016 General Assembly enacted a new guaranteed tuition program that fixes tuition rates for those first-time, full-time resident undergraduates and new transfer students who remain continuously enrolled for eight consecutive semesters or the equivalent number of remaining semesters for transfer students. Resident undergraduate tuition rates for 2021-22 will only apply to the cohort of students who enroll in the fall of 2021.

**Assessment:** The universities have submitted 2021-22 tuition proposals in accordance with legislative and UNC System Office guidelines for consideration by the Board.

**Action:** This item requires a vote by the committee and a vote by the full Board of Governors.

## A-2. Authorization of Tuition for 2021-22

The following RESOLUTION for the 2021-22 academic year reflects the tuition increases proposed by the institutions. The Board of Governors recommended no increases for resident students due to the COVID-19 pandemic. Several institutions are requesting increases to nonresident rates.

The 2016 General Assembly enacted a guaranteed tuition program that fixes tuition rates for first-time full-time resident undergraduates and transfer students that remain continuously enrolled for eight consecutive semesters or the equivalent number of remaining semesters for transfer students. Resident undergraduate tuition rates for 2021-22 will only apply to the cohort of students that enroll in the fall of 2021. The chancellors and their boards of trustees requested tuition rate increases for students consistent with legislative and UNC System Office guidelines.

### RESOLUTION AUTHORIZING TUITION

WHEREAS, G.S. 116-143 requires that the Board of Governors of the University of North Carolina System shall fix the tuition and fees, not inconsistent with the actions of the General Assembly, at the UNC System constituent institutions.

NOW, THEREFORE, BE IT RESOLVED, that, effective with the Fall Term of 2021, the constituent institutions are authorized to charge and collect the following tuition rates.

## **I. 2021-22 Tuition Rates**

In accordance with legislative and UNC System Office guidelines, institutions submitted tuition and fee proposals for 2021-22. The tuition amounts for all programs are shown on pages 3 through 9.

### ***A. Increases in Tuition for Professional Schools***

Three universities are proposing graduate professional school tuition increases for 2021-22. The rates require Board of Governors approval.

#### **North Carolina A & T State University**

Master of Accountancy – \$2,000 for nonresidents

N.C. A&T requests a tuition increase of \$2,000 for nonresidents for the Master of Accountancy program. The revenue generated would support marketing/recruitment initiatives and graduate assistantships.

Joint Master of Social Work (with UNCG) – reduction of \$374.13 for nonresidents

Joint Ph.D. of Social Work (with UNCG) – reduction of \$374.13 for nonresidents

N.C. A&T requests a tuition decrease of \$374.13 for nonresidents in the Joint Master and Joint Ph.D. in Social Work programs in order to match the rate at UNCG and maintain a competitive position in recruitment. Students will have access to activities and services regardless of university home base. A reduction in operating expenses will be necessary to absorb the decreased revenue.

#### **UNC-Chapel Hill**

School of Law: Juris Doctor (J.D.) – \$2,500 for nonresidents (new students only)

UNC-Chapel Hill requests an increase of \$2,500 for graduate nonresident students in the J.D. program. This increase is in addition to the \$566 proposed for all graduate nonresidents. The revenue generated would fund faculty recruitment and retention, student support services, and scholarships.

#### **UNC Greensboro**

MS-Sustainability and Environment – new established rates – \$7,019, residents/\$20,737, nonresidents

UNC Greensboro is requesting to establish tuition rates as shown above for the new Master of Science in Sustainability and Environment program approved by the Board of Governors in the spring of 2020. The tuition revenue generated would support program administration costs, professional development, advertising, and graduate assistant stipends.

## II. 2021-22 Special Tuition Rates

### ***Nonresident Graduate Students***

Consistent with the General Statutes and by authorization of the Board of Governors through a resolution passed by the Board in 1983, the institutions are authorized to charge special tuition rates for nonresident graduate students.

For nonresident graduate students who are awarded a graduate teaching or research assistantship and who are paid a stipend of at least \$2,000 per academic year, the institution may award tuition remission to reduce the nonresident tuition rate to the in-state rate. For example, the nonresident graduate student tuition rate is proposed to increase from \$26,421 to \$27,082 at North Carolina State University for 2021-22. NC State's graduate nonresident students who are eligible to receive tuition remission will be charged the resident tuition rate, which will remain at \$9,095 for the 2021-22 academic year.

Each university receives a state appropriation for graduate tuition remissions and some universities supplement this appropriation from other non-state sources. Institutions may not provide graduate tuition remissions to all students. The number of awards is limited to those that meet the criteria and the budget availability.

*Note: The 2011 General Assembly eliminated state appropriations for nonresident undergraduate tuition waivers that had been in place since 1983 [Sec. 9.13(b) of S.L. 2011-145].*

### **III. Tuition for Students Enrolled in Degree-Credit Courses**

It is proposed that, effective with the fall term of 2021, resident students and nonresident students taking courses within North Carolina be charged the regular-term tuition rates established by the Board and that tuition rates for these students be implemented on a per-credit-hour basis to be calculated as follows:

- Undergraduate students shall be charged tuition per credit hour, at a rate equal to the annual undergraduate tuition rate at their institution divided by 24. The per-credit rate shall be capped at 12 credits per semester for fall and spring semesters, meaning undergraduate students shall not be charged for additional credits beyond 12 in a fall or spring semester.
- Graduate students shall be charged tuition per credit hour, at a rate equal to the annual graduate tuition rate divided by 18. The per-credit rate shall be capped at nine credits for fall and spring semesters, meaning graduate students shall not be charged for additional credits beyond nine per semester in a fall or spring semester.

It is further proposed that the Board continue to delegate to the president the authority to set tuition rates for nonresident students taking courses outside North Carolina and to approve tuition rates for self-supported summer enrollment.

**AGENDA ITEM**

A-3. Authorization of Fees for 2021-22 ..... Jennifer Haygood

**Situation:** General Fees (Athletics, Health Services, Student Activities, Educational and Technology, and Campus Security), Debt Service, Application, and Special Fees are recommended for approval.

**Background:** G.S. 116-143 requires that the Board of Governors of the UNC System fix the tuition and fees, not inconsistent with the actions of the General Assembly, at the constituent institutions of the UNC System. The 2016 General Assembly enacted a provision that caps mandatory student fee increases (including debt service fees) to three percent per year.

**Assessment:** The universities have submitted 2021-22 fee proposals in accordance with legislative and UNC System Office guidelines for consideration by the Board.

**Action:** This item requires a vote by the committee and a vote by the full Board of Governors.

### A-3. Authorization of Fees for 2021-22

The following RESOLUTION for the 2021-22 academic year reflects fee increase proposals by each university. Chancellors requested fee increases consistent with the tuition and fee instructions, including a three percent cap on mandatory student fee increases enacted by the 2016 General Assembly.

#### RESOLUTION AUTHORIZING FEES

WHEREAS, G.S. 116-143 requires that the Board of Governors of the University of North Carolina System shall fix the tuition and fees, not inconsistent with the actions of the General Assembly, at the UNC System constituent institutions.

NOW, THEREFORE, BE IT RESOLVED, that, effective with Fall Term 2021, the constituent institutions are authorized to charge and collect the following fees.

## Athletics Fees

Athletics fee revenues provide funds for intercollegiate athletic programs and for the maintenance and operation of athletic facilities.

For 2021-22, the tuition and fee instructions allowed institutions to propose an increase in one fee if it was offset by a commensurate decrease to another fee, resulting in no net increase in the total of all mandatory fees, excluding health services. UNC Pembroke is requesting a \$10 increase (with a decrease to the Educational and Technology fee) to cover athletics training and increases in health insurance costs. Elizabeth City State University is requesting a reduction to round its fee to the nearest whole dollar.

The proposed Athletics fees, effective Fall Term 2021, are listed below.

<i>Institution</i>	<i>Requested Change</i>	<i>Proposed 2021-22 Fee</i>
Appalachian State University	\$ –	\$783.00

## Health Services Fees

Health Services fees finance health and medical services for students, including the maintenance and operation of student health centers. The demand for counseling services has increased during the past few years and especially during the COVID-19 pandemic. Increases are requested in Health Services fees at 14 institutions for 2021-22.

ECSU's proposed increase of \$67.77 would support the hiring of a new mental health counselor and extended operating hours for health services. UNCC's proposed increase of \$88.00 would support new positions (8.0 FTE), including two for the counseling and psychological services team and operating and renovation expenses to accommodate the additional staff, counseling rooms, and offices. WSSU's proposed increase of \$73.00 would fund three new positions (Certified Health Education Specialist, Licensed Practical Nurse, and a Counselor-in-Residence), eCheckup software, and an online assessment tool.

The proposed Health Services fees, effective Fall Term 2021, are listed below.

<i>Institution</i>	<i>Requested Change</i>	<i>Proposed 2021-22 Fee</i>

## Student Activities Fees

Student Activities fees provide funds for non-academic student services and for the maintenance and operation of facilities used in conjunction with those services. Included are funds to operate student unions and intramural facilities, and provide for student organizations, newspapers, yearbooks, and entertainment programs.

Elizabeth City State University is requesting a reduction to round its fee to the nearest whole dollar.

The proposed Student Activities fees, effective Fall Term 2021, are listed below.

## Educational and Technology Fees

Educational and Technology fees were instituted as a result of the study of student fees conducted by the Board of Governors in 1992-93 and adopted in May 1993. These fees cover specialized instructional supplies/services and scientific and information technology equipment not provided by state funds.

UNC Pembroke is requesting a decrease of \$10 due to a higher-than-expected fund balance as a result of CARES Act dollars received to purchase technologies in support of hybrid and distance learning.

The proposed Educational and Technology fees, effective Fall Term 2021, are listed below.

## Campus Security Fee

The 2013-14 UNC Campus Security Initiatives Report included high priority recommendations for new initiatives, staffing, and security measures designed to benefit the UNC System institutions. The Board approved this fee in 2015.

The fee assessed to students by each institution provides the UNC System with approximately \$6 million annually to support implementation of priority needs, while incenting shared services, collaboration, group purchasing and efficiency on a system level, where most appropriate.

At a special meeting on February 9, 2021, the Committee on Budget and Finance approved a motion to increase the Campus Security fee by \$30 at all institutions, except those that would result in a total mandatory fee increase over three percent. Therefore, the increases for five institutions are reduced this year, with the understanding that the fees will increase to \$60 in 2022-23.

The proposed Campus Security fees, effective Fall Term 2021, are listed below.

<i>Institution</i>	<i>Requested Change</i>	<i>Proposed 2021-22 Fee</i>

## Indebtedness Fees

Under the policy for the establishment of fees adopted by the Board of Governors in 1993 and revised in 2003, fees for the retirement of indebtedness are approved at the time a project is approved and established at the time that debt is incurred. Indebtedness fees, once established, remain in effect until the debt is retired.

NC State is reducing its debt service fee by \$38 due to the retirement of debt for Thompson Hall. UNC Wilmington is reducing the debt service fee for the Campus Rec Center Expansion Services Fund project by \$52 due to savings achieved following the refunding of 2010 revenue bonds. A new debt service project for Walton Drive Student Village Rec Fields and Facilities (approved by the Board in January 2021) with an associated \$52 debt service fee results in a \$0 net change to students.

The proposed Indebtedness fees, effective for Fall Term 2021, are listed below.

## Special Fees

Special fees provide funds for specific needs that are not financed from other revenue sources. Special fees are charged *only* to students who participate in programs or activities financed from those fees. These are programs that have specialized instructional needs, e.g., programs in health affairs, law, business, engineering, and architecture. These programs are expensive and occur in curricula where students must obtain a “competitive edge” to acquire highly desirable jobs upon graduation. Increases to Special fees were not allowed for 2021-22; however, UNC-Chapel Hill is requesting a name change to two fees to better reflect the projected expenditures. In addition to the Special fees listed below, all UNC System students are charged \$1.00 per year for the Association of Student Governments fee.

The Special fees, effective for Fall Term 2021, are listed below.
