

AGENDA ITEM

A-2. Authorization of Tuition for 2020-21Clinton Carter

Situation: Tuition rates for undergraduate and graduate students, including professional schools, are recommended for approval.

Background: G.S. 116-143 requires that the Board of Governors of the University of North Carolina System fix the tuition and fees, not inconsistent with the actions of the General Assembly, at the constituent institutions of the UNC System. The 2016 General Assembly enacted a new guaranteed tuition program that fixes tuition rates for those first-time full-time resident undergraduates and new transfer students who remain continuously enrolled for eight consecutive semesters or the equivalent number of remaining semesters for transfer students. Resident undergraduate tuition rates for 2020-21 will only apply to the cohort of students who enroll in the fall of 2020.

Assessment: The universities have submitted 2020-21 tuition proposals in accordance with legislative and UNC System Office guidelines for consideration by the Board but due to the COVID-19 pandemic, no tuition increases are being recommended; however, rates are requested for new degree programs that will begin in Fall 2020.

Action: This item requires a vote by the committee and a vote by the full Board of Governors.

A-2. Authorization of Tuition for 2020-21

The following RESOLUTION for the 2020-21 academic year reflects no tuition increases due to the COVID-19 pandemic. The only exception is for new degree programs that will begin in Fall 2020. Resident undergraduate tuition rates for 2020-21 will only apply to the cohort of students that enroll in the fall of 2020.

RESOLUTION AUTHORIZING TUITION

WHEREAS, G.S. 116-143 requires that the Board of Governors of the University of North Carolina System shall fix the tuition and fees, not inconsistent with the actions of the General Assembly, at the UNC System constituent institutions.

NOW, THEREFORE, BE IT RESOLVED, that, effective with the Fall Term of 2020, the constituent institutions are authorized to charge and collect the following tuition rates.

I. 2020-21 Tuition Rates

In accordance with legislative and UNC System Office guidelines, institutions submitted tuition and fee proposals for 2020-21. Due to the COVID-19 pandemic, no tuition increases are recommended. The tuition amounts for all current programs will remain unchanged from the 2019-20 academic year and are shown on pages 4 through 10. Four institutions are requesting to establish rates for new degree programs as shown below:

A. New Professional School Programs

Appalachian State University

MS in Athletic Training – new established rates – \$6,839, residents/\$20,271, nonresidents

Appalachian State University is requesting to establish tuition rates as shown above for the new Master of Science in Athletic Training program approved by the Board of Governors in November 2017. The tuition differential above the graduate base rate is \$2,000 for the MS in Athletic Training. This differential is comparable to other new MSAT programs within the UNC System. The tuition revenue would cover accreditation and association fees, as well as comprehensive program review fees for CAATE (the AT national accreditation board), clinical education site maintenance, program management software to track student hours, preceptors, and clinical site information, personnel costs to extend two nine-month faculty to 12 months, and support for student scholarships and graduate assistantships.

UNC Charlotte

College of Liberal Arts & Sciences – new established rates - \$7,037, residents/\$20,471, nonresidents
Graduate Certificate in Biomedical Sciences
Graduate Certificate in Biotechnology

UNC Charlotte is requesting to establish tuition rates as shown above for the new Graduate Certificates in Biomedical Sciences and Biotechnology. The tuition differential above the graduate base rate is \$2,700. The proposed rate is the same as the existing certificate programs for Bioinformatics Applications and Bioinformatics Technology at UNC Charlotte. The revenue generated would cover program instructional support, faculty development, program staffing and operating costs, and need-based and merit-based financial aid.

UNC Pembroke

MS-Athletic Training – new established rates – \$5,775, residents/\$17,838.18, nonresidents

UNC Pembroke is requesting to establish tuition rates as shown above for the new Master of Science in Athletic Training program approved by the Board of Governors in November 2017. The tuition differential above the graduate base rate is \$1,495. An analysis of MSAT programs in South Carolina, Virginia, and North Carolina (UNC System and private institutions) shows that the cost of UNCP's MSAT degree is less than most institutions. The requested differential puts UNCP's program in the best competitive position, both within the state and surrounding states, while providing the additional funds necessary for a quality graduate health care program. The tuition revenue generated would support recruitment of highly qualified faculty, clinical supplies and equipment, and equipment maintenance costs.

Western Carolina University

MS-Athletic Training – new established rates – \$6,135, residents/\$16,542, nonresidents

Western Carolina University is requesting to establish tuition rates as shown above for the new Master of Science in Athletic Training program approved by the Board of Governors in November 2017. The tuition differential above the graduate base rate is \$1,700 for the MS in Athletic Training. This program is housed in the College of Health and Human Services. There are several graduate programs within the college that have tuition differentials ranging from \$600 (Master of Social Work) to \$4,800 (Doctor of Nurse Practitioner). The tuition revenue generated would support faculty and student professional development, program software, clinical supplies and equipment, recruitment, and marketing.

II. 2020-21 Special Tuition Rates

Nonresident Graduate Students

Consistent with the General Statutes and by authorization of the Board of Governors through a resolution passed by the Board in 1983, the institutions are authorized to charge special tuition rates for nonresident graduate students.

For nonresident graduate students who are awarded a graduate teaching or research assistantship and who are paid a stipend of at least \$2,000 per academic year, the institution may award tuition remission to reduce the nonresident tuition rate to the in-state rate. For example, the nonresident graduate student tuition rate at NC State University is \$26,421. NC State's graduate nonresident students who are eligible to receive tuition remission will be charged the resident tuition rate, which is \$9,095 for the 2020-21 academic year.

Each university receives a state appropriation for graduate tuition remissions and some universities supplement this appropriation from other non-state sources. Institutions may not provide graduate tuition remissions to all students. The number of awards is limited to those that meet the criteria and the budget availability.

Note: The 2011 General Assembly eliminated state appropriations for nonresident undergraduate tuition waivers that had been in place since 1983 [Sec. 9.13(b) of S.L. 2011-145].

III. Tuition for Students Enrolled in Degree-Credit Distance Education Courses

Distance education (DE) students are charged on a per-credit-hour basis, rather than a “stair-step” methodology charged to regular-term students. The DE per-credit-hour tuition rate is derived by dividing regular term tuition costs by 29.6 for undergraduates and 20.4 for graduate students. Since distance education students are not charged athletics, health services, student activities, and debt service fees, the cost of education is considerably lower than students who are taking courses using face-to-face instruction.

It is proposed that, effective with the fall term of 2020, resident students and nonresident students taking courses within North Carolina who are enrolled in distance education courses be charged the regular-term tuition rates established in Section I. It is further proposed that tuition rates for these students be implemented on a per-credit-hour basis and that the charge per credit hour be calculated as follows:

- For undergraduate courses, the rate per student credit hour would be the annual rate divided by 29.6 hours.
- For graduate courses, the rate per student credit hour would be the annual rate divided by 20.4 hours.

It is further proposed that the Board delegate to the president the authority to set tuition rates for nonresident students taking courses outside North Carolina. These are students who primarily take courses via the Internet.

AGENDA ITEM

A-3. Authorization of Fees for 2020-21Clinton Carter

Situation: General Fees (Athletics, Health Services, Student Activities, Educational and Technology, and Campus Security), Debt Service Fees, Application Fees, and Special Fee adjustments are recommended for approval.

Background: G.S. 116-143 requires that the Board of Governors of the UNC System fix the tuition and fees, not inconsistent with the actions of the General Assembly, at the constituent institutions of the UNC System.

Assessment: The universities have submitted 2020-21 fee proposals in accordance with legislative and UNC System Office guidelines for consideration by the Board, but, due to the COVID-19 pandemic, no fee increases are being recommended; however, two fee decreases are requested.

Action: This item requires a vote by the committee and a vote by the full Board of Governors.

A-3. Authorization of Fees for 2020-21

The following RESOLUTION for the 2020-21 academic year reflects no fee increases due to the COVID-19 pandemic. In accordance with legislative and UNC System Office guidelines, institutions submitted fee proposals for 2020-21 but due to the COVID-19 pandemic, no fee increases are recommended; however, UNCP and UNCW are requesting decreases to two fees. The fee rates will remain unchanged from the 2019-20 academic year (with two exceptions mentioned above) and are shown on the following pages.

RESOLUTION AUTHORIZING FEES

WHEREAS, G.S. 116-143 requires that the Board of Governors of the University of North Carolina System shall fix the tuition and fees, not inconsistent with the actions of the General Assembly, at the UNC System constituent institutions.

NOW, THEREFORE, BE IT RESOLVED, that, effective with Fall Term 2020, the constituent institutions are authorized to charge and collect the following fees.

Educational and Technology fees were instituted as a result of the study of student fees conducted by the Board of Governors in 1992-93 and adopted in May 1993. These fees cover specialized instructional supplies/services and scientific and information technology equipment not provided by state funds.

The proposed Educational and Technology fees, effective Fall Term 2020, are listed below.

Campus Security Fee

The 2013-14 UNC Campus Security Initiatives Report included high priority recommendations for new initiatives, staffing, and security measures designed to benefit the UNC System institutions. The Board approved this fee in 2015.

The fee assessed to students by each institution provides the UNC System with approximately \$6 million annually to support implementation of priority needs, while incenting shared services, collaboration, group purchasing and efficiency on a system level, where most appropriate.

The proposed Campus Security fees, effective Fall Term 2020, are listed below.

Indebtedness Fees

Under the policy for the establishment of fees adopted by the Board of Governors in 1993 and revised in 2003, fees for the retirement of indebtedness are approved at the time a project is approved and established at the time that debt is incurred. Indebtedness fees, once established, remain in effect until the debt is retired. An adjustment is requested at one institution.

UNCP's decrease of \$34 is due to the retirement of the Student Annex and Refunding Series 2000 bonds.

The proposed Indebtedness fees, effective for Fall Term 2020, are listed below.

Special Fees

Special fees provide funds for specific needs that are not financed from other revenue sources. Special fees are charged *only* to students who participate in programs or activities financed from those fees. These are programs that have specialized instructional needs, e.g., programs in health affairs, law, business, engineering, and architecture. These programs are expensive and occur in curricula where students must obtain a “competitive edge” to acquire highly desirable jobs upon graduation. New Special fees or increases to existing Special fees were not allowed for 2020-21; however, UNCW is eliminating the DNP Residency fee. In addition to the Special fees listed below, all UNC System students are charged \$1.00 per year for the Association of Student Governments fee.

The Special fees, effective for Fall Term 2020, are listed below.
